SPECIAL OFFER: FREE High-Converting Landing Page with any Package!

Why Businesses Choose ADAMUS

Traditional Agencies (The Old Way)

- [-] High monthly retainers (\$3k-\$10k/mo)
- [-] Slow setup times (4 to 8 weeks)
- [-] Unclear attribution & generic reports
- [-] Manual lead followup & lost deals
- [-] Rigid contracts with zero guarantees

The ADAMUS Engine (The New Way)

- [+] Flat predictable pricing from \$299
- [+] Instant automated deployment (24 Hours)
- [+] Real-time telemetry dashboard & ROI
- [+] Instant AI lead response (< 60 Seconds)
- [+] 100% Performance-focused execution

Core Capabilities & Architectural Pillars

1. High-Performance Landing Pages

Built on lightweight Nginx architecture delivering sub-second load times and 95+ Google PageSpeed scores for maximum ad

2. Real-Time Telemetry & Lead Pipeline

Track prospect interactions from initial ad click to final booking. Integrated intranet dashboard for instant visibility.

3. Microsecond AI Outreach

Automated SMS, Email, and WhatsApp responses instantly connect with new leads while their purchase intent is highest.

Proven Results: Client Case Study

Apex Local Services - 90 Day Campaign Results

- * Challenge: High cost-per-lead (\$120/lead) and slow manual follow-ups resulting in low conversion.
- * ADAMUS Deployment: Installed Growth Engine with automated sub-minute AI SMS outreach & Google Ads.
- * Results: Reduced Cost-per-Lead by 54% to \$55. Increased monthly booked appointments from 18 to 64.
- * Total ROI Generated: 4.6x Return on Ad Spend within the first 90 days.
